of Charles Reade-Truth Stranger than Fiction. From the New York Tribune.]

Certain daily papers are serving up to the letters of the enamored pair

There is nothing new or noticable in The new and appalling point in the a young man or woman if they subject mselves to their influence, venomous allurements of the broth

sire was to do her duty by her hus-band and children. The natural impulse of a scorned woman for revenge she had gained a complete and admirable victory over. It was not, as she testifies, and as the whole history o

the case shows, for herself, but for her children, that she pleaded with the woman Fair; and she declared that even if her busband abandoned her she would not put upon them the stigma of divorce. If she had chosen to take the course which the law in all States opened to her, or if Crittenden had been able to avail him-

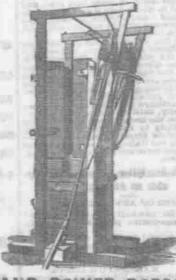

her. The contrast between the modest and broken-hearted lady and the brazen adventuress who succeeded n supplanting her was pointed upon Dear Sir—I have read with great the trial by the insolent interruption ain the letter of Hon. A. Ames, U.
Senator, addressed to Hon. C. F.
With which a prostitute and a murderessed marked her harred of a true with which a prostitute and a mur-deress marked her hatred of a true and virtuous woman. In the state of things which easy divorce would bring about, the infatuation of Crittenden was so great that the woman who is the refuse of the earth would have won a complete and legal triumph over one of the women who are the salt of it. The woman who is now a widow would have been worse than a widow, and the children who BOYLE & CHAPMAN. are now latherles would have been worse than orphans. It is in behalf of women like Mrs. Crittenden, and in despite of women like Mrs. Fair, that
